MESSAGE FROM MAXINE RENNIE EXECUTIVE DIRECTOR

Across PEI we are building strong and prosperous communities with the contributions of long time and newly arrived Islanders. We are so proud of the events this summer and autumn, from a 300+ person soccer tournament for Mexican Independence Day in Murray Harbour, to a Meet Your RCMP Officers session in Central PEI, to our fantastic Come Try Bass Fishing at the West Point Lighthouse. The events were huge successes. All events are successful because of the communities and organizations we partner with, and the community members who choose to help organize and attend.

Local news sources covered these events across PEI, and it was incredibly special to watch, listen, and read the words of the interviewees across PEI. We hope that when you hear about the next PEI Community Navigator event in your area, you'll join us in the joy of creating community. See you there!

-Maxine Rennie

OUR MISSION

Individuals and families who choose to settle in rural PEI offer incredible value to the communities that they settle. In each of our numerous communities dotting the coastline or the inland rolling hills of our Island, you'll find a diverse group of community members who settled in PEI or were born as Islanders, coming together to help each other and create a prosperous and fulfilling life in Rural PEI. We are here to support the inclusion of our newest residents in all aspects of rural PEI life.

What a great Summer it was in Western PEI!! Time was spent outdoors with a Come Try Bass Fishing Event in West Point, a Paddleboarding and Kayaking event at the Kildare Lodge, and Apple Picking at Arlington Orchards!

We celebrated both India & Mexico's Independence Days, with a flag raising, music, dance and traditional food, and in September the recognition and handing out of service awards for Temporary Foreign Workers and Rural Western PEI Employers.

Recently we celebrated Small Business Week, with an open house at the Prince County Guest House in Miscouche, and did some drop ins to local businesses.

The Fall season has been shaping up to be just as busy and exciting with celebrations such as Diwali, Dia De Los Muertos (Day of the Dead), and Loy Krathong taking place... We will also be hosting some very valuable and important information sessions in the coming weeks, keep an eye on our Facebook and Instagram Pages for more Information!

Looking forward to connecting with you soon!
