MESSAGE FROM MAXINE RENNIE EXECUTIVE DIRECTOR

We are happy to send out a special edition of the PEI Community Navigators newsletter this month with a special focus on PEI Neighbour Week!

PEI Neighbour Week started four years ago with the goal of celebrating the fine folks from around the world in all corners of our rural province that are doing neighbourly acts each day! It aligns with the national initiative "IRCC's Welcoming Week" and features events across the island!

In Western PEI you'll find neighbours helping neighbours learn how to bass fish, picking apples together, and celebrating with a Neighbourly Meet and Greet. In Central PEI you'll find a community potluck in New London and a soccer tournament at the Terry Fox Centre. In Eastern PEI you can join in on the second annual Mexican Independence Day Soccer Tournament and Feast, as well as watch box office hits at the Souris Cinema!!

So wherever you are from September 12-21st this year, take some time to celebrate your good neighbours and do something neighbourly yourself!

-Maxine Rennie

OUR MISSION

Individuals and families who choose to settle in rural PEI offer incredible value to the communities that they settle. In each of our numerous communities dotting the coastline or the inland rolling hills of our Island, you'll find a diverse group of community members who settled in PEI or were born as Islanders, coming together to help each other and create a prosperous and fulfilling life in Rural PEI. We are here to support the inclusion of our newest residents in all aspects of rural PEI life.

FUN FACT

The word "neighbour" comes from the Old English word neahgebur, combining nēah ("near") and gebur ("dweller"), literally meaning "near-dweller" or someone who lives nearby.

A fun fact is that "neighbour" is one of the many words with a spelling difference between American and British English, with the former omitting the "u" to become "neighbor"
